

ArmorSource Is Determined to Continue Mr. Dickson's Endeavors Moving Forward

Lawrence "Larry" J. Dickson
(January 10, 1955 - January 15, 2012)

ArmorSource LLC. Members Announcement:

ArmorSource Founder and CEO, Larry Dickson, died unexpectedly on Sunday, January 15, 2012 at Licking Memorial Hospital in Newark.

Larry was a real dreamer, good partner, and a brilliant businessman. He was also a dear friend. We admired Larry and we are missing his presence each and every day.

Mr. Dickson defined the ArmorSource mission as **“To enhance the survivability of the war-fighter by improving the capabilities of Advanced Ballistic Head Protection Products with a focus on high quality products that perform above and beyond stated requirements.”** We see these words as Larry's legacy and are determined to continue his endeavors moving forward.

ArmorSource members, with the blessing of Mrs. Terry Dickson, asked Mr. Yoav Kapah, currently ArmorSource President, to continue leading ArmorSource according to Larry's vision, as CEO and President, developing and producing excellent products for the purpose of saving humans lives.
