RETENTION SYSTEMS

AIRELINK STANDARD RETENTION SYSTEM

DESC:

The AireLink is ArmorSource's standard retention system designed for boltless and bolted ballistic helmets. Durable and weight-conscious, this ACH style retention/chinstrap is the preferred solution for military and law enforcement organizations throughout the USA and around the globe. This 4 point system features 3/4" nylon webbing, a large nape pad and heavy duty chin strap clip offering a wide range of adjustments and reduced weight as compared to standard hardware based retentions.

Replaces R2 and R4 Retention Systems
